In Memoriam

Mrs. Louise Bruton

Teacher 1944-46, 1952-72

*"So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night,
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."*

Cards Post 2-5 District Record

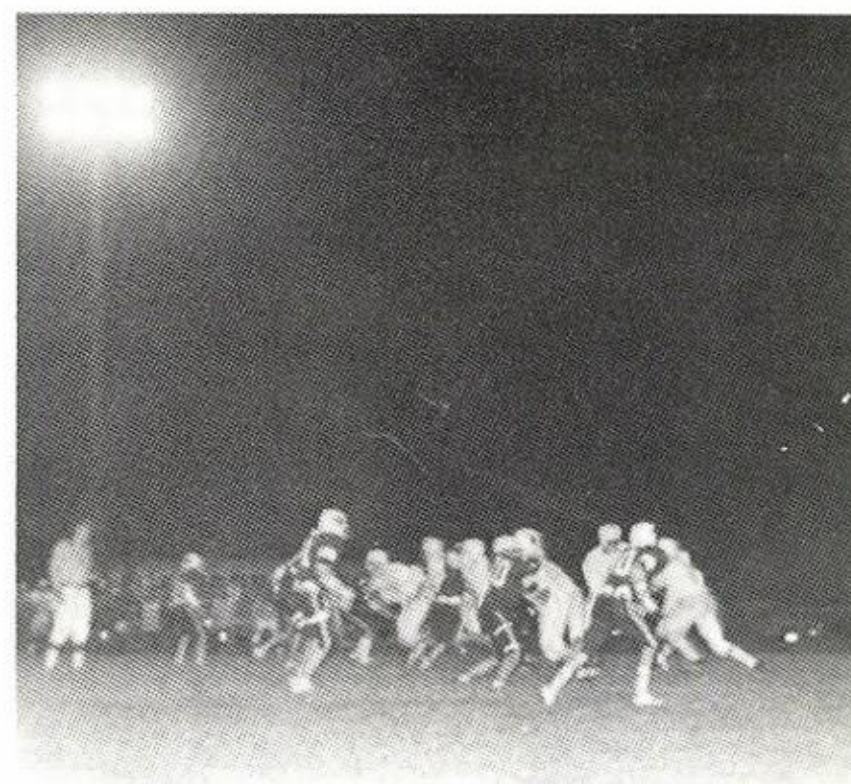

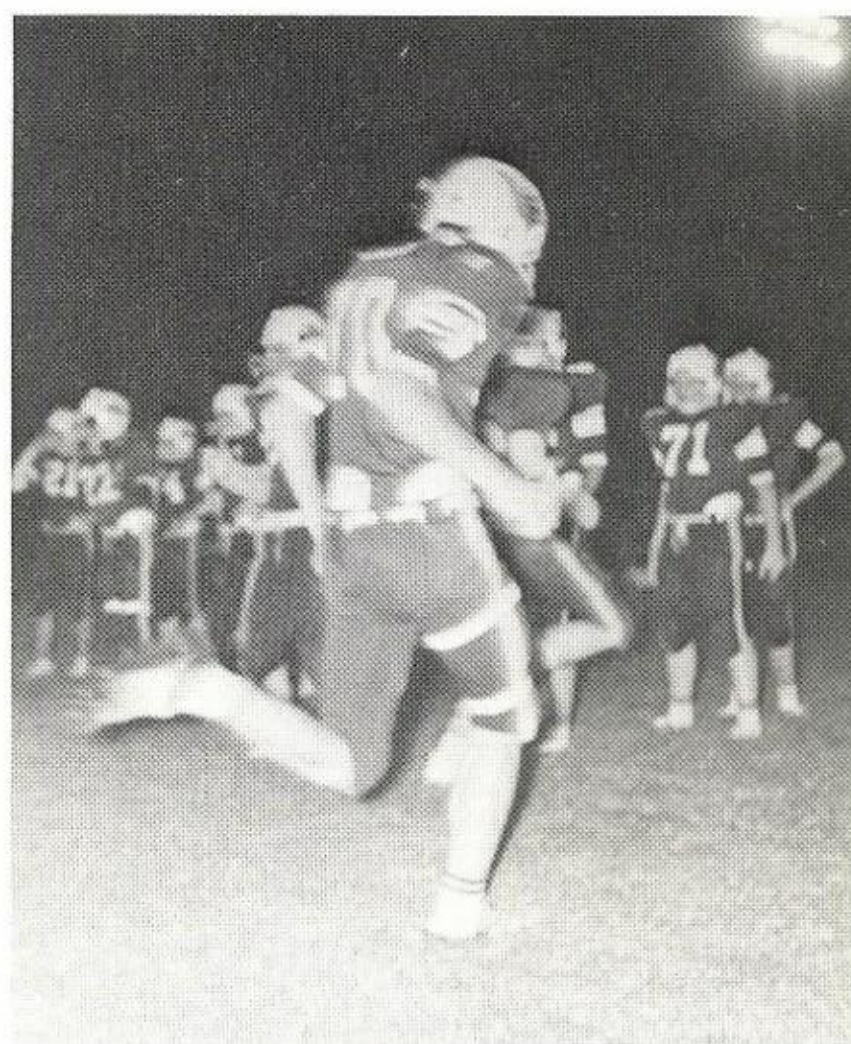

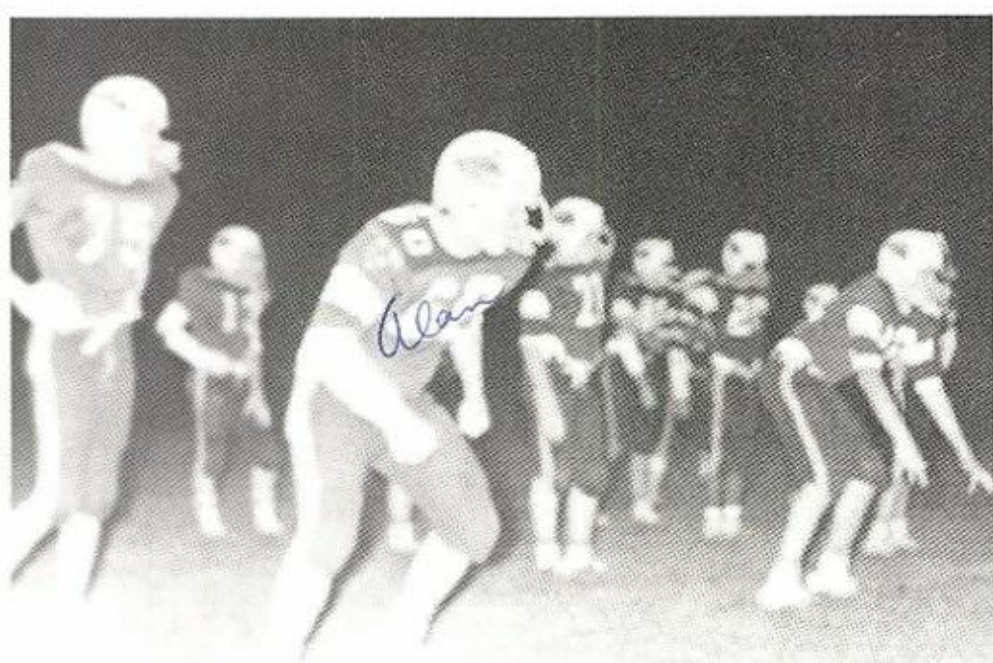

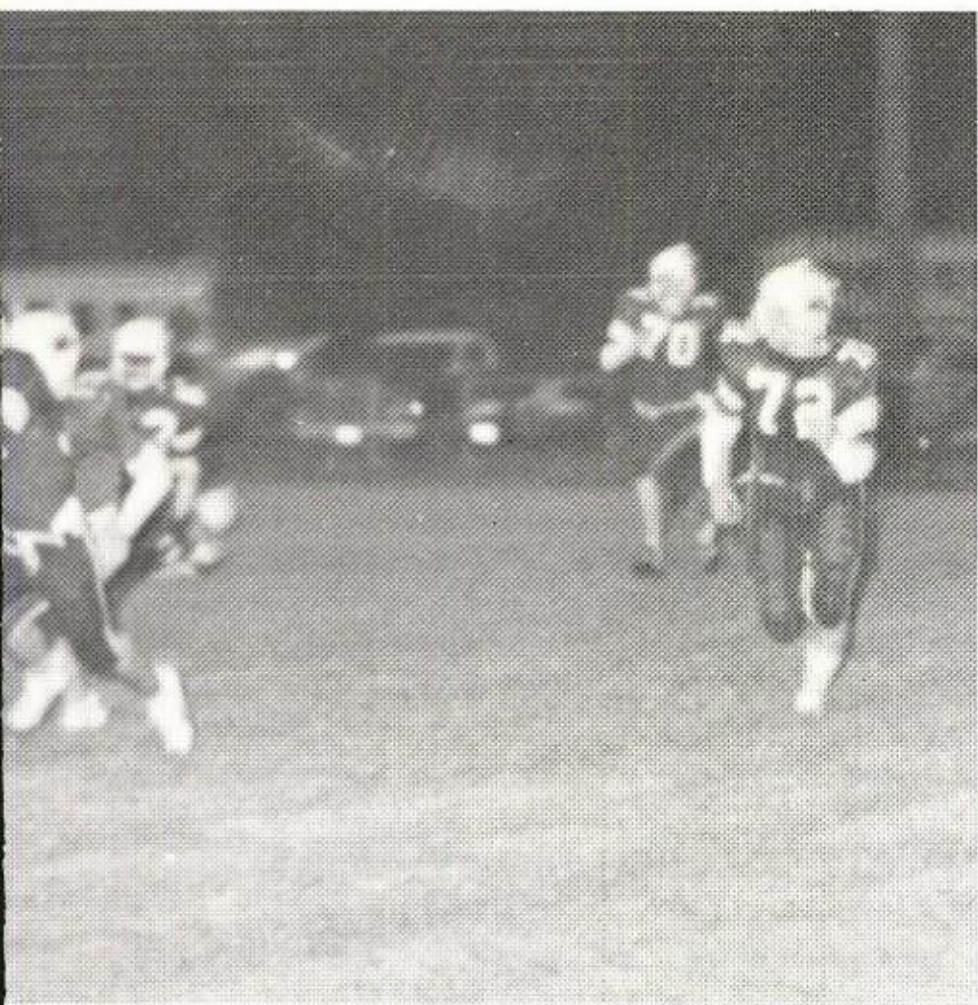

After losing eight of eleven starters from last year's district 20-A champion team, the Cards posted a 2-5 district record. With a young, inexperienced team, the Cards relinquished their district crown to Waskom. The Cards never lost spirit, however, as each game was hard fought and team spirit never died.

Maud Students Welcome Superintendent

A MESSAGE TO STUDENTS

Thanks for the opportunity to comment on the quality of student life and academic achievement that is the goal of the staff and faculty of Maud Schools.

Our students are to be congratulated on the fine job they are doing in many areas, but the publication of the annual is a bright spot in the school life for the school year of 1972-73.

To those who graduate this year, I request that you would find peace with God and Man, establish and continually re-establish upward worthwhile goals of life, and give the best effort possible to accomplish these goals. To the students who remain with us, I say to you develop a sensible and positive attitude toward yourself and God. Work as if you expect something good to happen, and I'm sure it will.

Leslie,
I hope your senior

Leslie,

I don't really know what to say so be prepared for a short autograph. When I first met you, I just knew that I wouldn't like you at all. (Come to think of it, I was right). Actually, I really think that you are one of the greatest guys I know. You will never know how much I will miss Maud, including you. Every day seems a little brighter because I have friends like you. Whenever I'm depressed, you always seem to have the right words to say. Thank you for being you and letting me be me. Good luck and all that stuff.

Love,
Janet
Sr. '73

Leslie,
How you made it this far
I'll never know, but I guess
you're ok. This has really
been some year even with
all the conflicts in hand
I guess will survive. See
you "around" and don't worry
I may do won't be too big at the P.D. on.

Leslie,
When I had some wonderful
experiences that are never
forgot. Just think - all
made it through (climbing
and nearly broke - yuck
been through hard - yuck
all things remember you
and your well - groomed
appearance. You're a wonderful
and great person and I
hope will see each other
in old days around - for.

Dale,

I guess I should tell you that you're
a great friend and all that, but I think
you already know it. Maud isn't exactly
what you call the 'in' place to be, but
I guess it's as good as Texas. If
we ever get a senior trip, I guess we'll
have one last time to give the tech
teachers, H.B., and Dale some trouble.
It was very fun trying to put together
this stupid annual, and I wish you
hadn't been in hand, it was really
a fun. See you at Tucker Tech.

Sr. '73
Alan

I wish I don't
well I don't have that
to tell you really been
a great friend. You are
really got a great head
I have every change. I really
hope don't we graduate that we can
I hope a lot of each other. I have enjoyed
you a friend. I am going to miss you
more than school. Be sweet and keep your
thoughts straight and your love free.
